

# Modeno Desk

5304: PM-OS-DE-ES

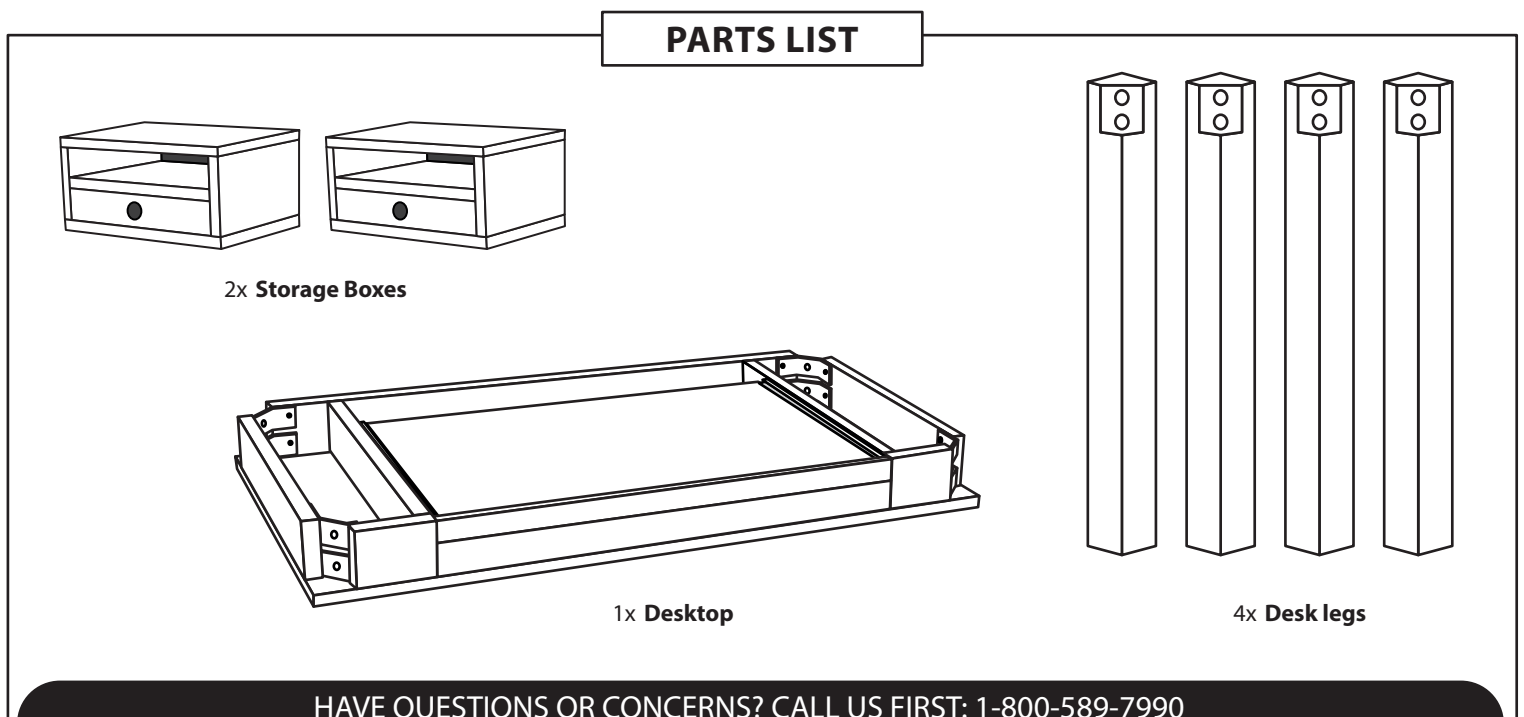

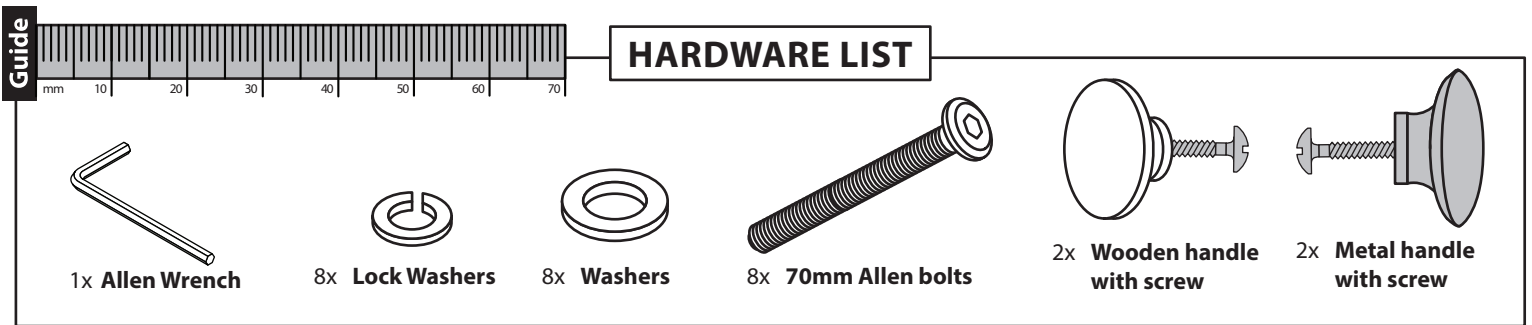

Congratulations on the purchase of your Modeno desk. This Desk has been crafted to the highest standards of quality and safety and will give you many years of enjoyment and practical use.

This desk is a natural wood product and has been finished with a distressed patina. There will be variations in color and grain, and minor wood grain checking may occur. This is normal and does not compromise the integrity of your desk. Variation in the character of this piece is integral to its beauty and distinguishes it from lower quality composite materials.

Assembly is quite simple and requires only a Phillips head screwdriver. Assembly will be most easily accomplished if you take the time to carefully sort the hardware and familiarize yourself with the function of each piece.

If you should require assistance with assembly, part replacement or any other matter, contact the toll-free Epoch Design Service Center from anywhere in the Continental United States, Monday through Friday, 9 AM – 5 PM Pacific Standard Time at 1-800-589-7990. You may also email your request or comments to [info@epochbydesign.com](mailto:info@epochbydesign.com) and a service representative will respond.

Thank you and Enjoy

- 1** Carefully position the desktop, top side down on a clean and soft surface.

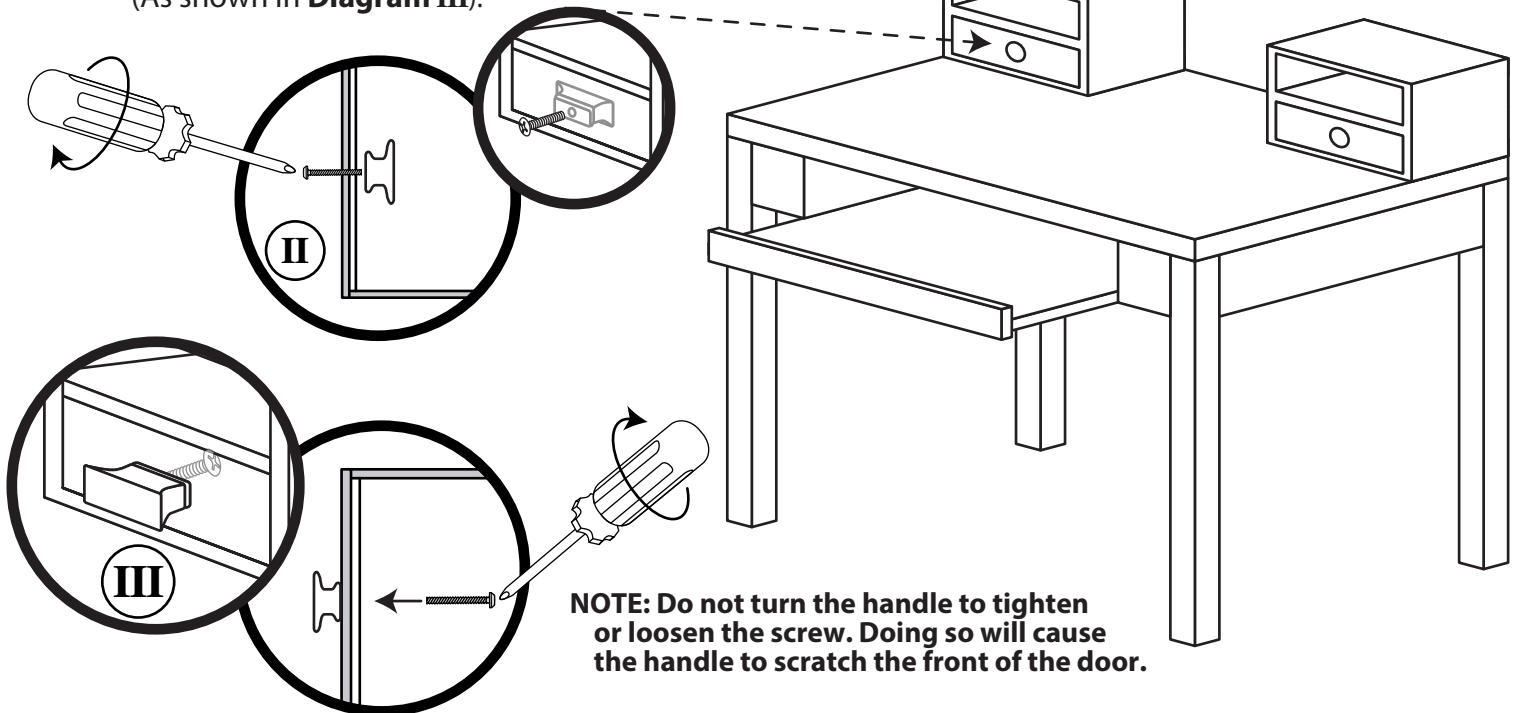

Attach each leg to the desktop using a lock washer, a washer, and a 70mm bolt in all 8 pre-drilled holes in the bottom of the desktop. As shown in **Diagram I**. Tighten with the allen wrench.

- 2** Carefully turn the desk right side up.

To install the drawer handle, first unscrew the handle from the inside of the drawer. (As shown in **Diagram II**)

Place the handle on the outside of drawer and insert the screw through the pre-drilled hole located on the inside of the drawer. Tighten using a Phillips head screwdriver. (As shown in **Diagram III**).
